

WOOD WORKER - CABINET MAKER

La Fabrique Allwood

Come join a young and dynamic team in a growing company. We have just moved into a new, modern and easily accessible workshop.

Required training and experiences:

- ★ Holder of a woodworking technique or DEP
- ★ Have worked in a wood furniture shop (minimum 1 year)
- ★ Knowledge of assembly techniques for solid wood and wood-based panels.

Task:

1. Reading workshop plans and preparing your workspace.
2. Cutting, gluing, assembly, machining and sandblasting.
3. Furniture assembly, systematic inspection of furniture and solid wood surfaces.
4. Organizing your workspace.
5. Participate in the different stages of manufacturing solid wood surfaces, custom solid wood furniture and wood derivative panels.
6. Participate in the preparation of wooden surfaces for various types of finish.
7. Participate in the smooth running and maintenance of the workshop.

Required qualities

- Efficiency and enthusiasm
- Autonomy and resourcefulness
- Attention to detail
- Flexibility and quick learning ability

Benefits

- ★ Brand new shop
- ★ Accessible by bus or car (parking)
- ★ Flexible schedule
- ★ Group insurance
- ★ Gym available on site (Free)
- ★ Close during Holidays and construction holidays during summer
